## **ConstructConnect Project Intelligence for Hospitality**

**Fill your vacant rooms with out-of-town contractors**

At ConstructConnect our goal is to provide commercial construction professionals like yourself with the data, insights, and preconstruction solutions to help you drive your business forward.

ConstructConnect Project Intelligence for Hospitality can help get your vacancies booked by providing project details on all the construction work coming up in your area. Stay on top of what construction projects are coming up near your properties and when they are expected to start.

Get contact details, including email addresses and phone numbers, for the awarded general contractor, construction manager, and trade contractors traveling to work in your area.

### **With ConstructConnect Project Intelligence, you'll:**

- Stay up to date on all construction projects bidding in your area with planholders and bidders list—including relevant contact information
- Easily organize and manage your sales opportunities by adding projects to your Watch List
- Build your sales pipeline by researching out-of-town contractors who regularly work near your properties
- Create saved searches and receive daily email updates so you never miss another project

### **Project Intelligence Facts:**

- 750,000+ active commercial construction projects
- 5,000 project updates and 2,000 new projects published daily
- 1M+ planholders added to bidding projects annually
- 450,000+ profiles on construction professionals, complete with contact info and project activity
